

A MODERN ALTERNATIVE TO TRADITIONAL SELF FUNDED DENTAL PLANS

ACCESS TO AFFORDABLE ORAL CARE FOR INDIVIDUALS,
FAMILIES, EMPLOYERS, GROUPS, AND ASSOCIATIONS

BETTER DENTAL BENEFITS

With the fastest growing dental network, the future of dental benefits is here. Unlike many traditional self funded dental plan companies – the BCI dental plan powered by Bento is loved by brokers, groups, employers, employees, members and dentists alike.

Give clients a better option for dental benefits while expanding product offering and gaining access to new revenue streams. With options for clients of all sizes and budgets, the BCI dental plan powered by Bento, provides creative options for current and future clients.

FLEXIBLE PLAN OPTIONS FOR ANY GROUP

Dental benefits customized to the needs of clients with BIG savings. The BCI dental plan powered by Bento is versatile enough to meet the needs of any size group, enabling clients to offer dental benefits to part-time, gig, and contract workers – no enrollment minimums required.

BENEFITS POWERED BY TECHNOLOGY

Bento's revolutionary technology eliminates the confusion of denials, hassles of balance billing, and waiting for authorizations. The Bento Platform also provides advanced utilization reports while seamlessly processing in-network and out-of-network dental claims with ease.

EASY ENROLLMENT WITH NEXT-LEVEL SUPPORT

Give clients concierge level service with their benefits. Bento's expert team removes the friction of enrollment with direct integrations to existing systems and provides clients with custom collateral and resources. Bento Concierge is here to provide support every step of the way.

SOLUTIONS FOR CLIENTS OF ANY SIZE, ANY BUDGET

From Classic 100/80/50 plans to the flexible defined benefits to basic access to the network and rates – the BCI dental plan powered by Bento empowers plan designs that meet the needs of any group.

SIMPLE

Flexible defined benefits

Similar to a dental HRA, Simple Plans are easy, flexible plan designs based on a dollar amount or select preventative services. Great for small business or groups looking to simplify their dental benefit and employee experience.

CLASSIC

Traditional style, modern experience

Self-insuring dental benefits has never been better. The BCI dental plan powered by Bento enables groups to mirror or upgrade any 100/80/50 style plan. Perfect for groups of any size looking to self-fund their dental.

ACCESS

Basic access to network & rates

Expand product offering with entry level benefits perfect for associations, enrollment firms, or employers looking to provide a dental option for part-time, hourly, or 1099 employees.

WHY CLIENTS AND MEMBERS LOVE USING THE BCI DENTAL PLAN POWERED BY BENTO

- **Modern Member Experience**

Access to the award-winning Bento Dental app where members can access and manage benefits, find in-network dentists, view their digital ID card, review EOBs and receipts, and process touch-free payments

- **No More Surprises**

AI-powered integrity check and instant adjudication protects groups and their members from billing errors

- **Savings for Everyone**

Employers and groups save 20% – 40% when switching to the BCI dental plan powered by Bento from a fully insured plan while their employees and members save up to 40% on all dental services when visiting Bento Dentists

- **Easy Enrollment and Support**

Bento's dedicated customer success teams make sure clients have a seamless transition and enrollment

- **Less Hassles and Waiting**

Real-time patient eligibility means members spend less time at the dentist

- **Advanced Reporting**

Bento's expert team works directly with clients and HR teams to provide utilization and savings reports, customized member web pages, resources, and education materials to HR teams and members

Bento is not an insurance company. Bento is a technology platform that enables employers, groups, associations, dentists, and individuals to offer and/or receive access to affordable oral care.
